# KELLY WEARSTLER'S ULTRA-GLAM BEACH HOUSE

*The designer's sophisticated Malibu beach getaway reflects the exuberant approach to personal decorating that made her famous.*

## CUSTOM BATHROOM VANITY

The bathroom vanity was custom designed by [Wearstler](#). It's a [Bates and Bates](#) polished-steel oval sink set into a block of marble; faucets by [Paul Decorative](#) are suitably named Atlantis. The large aluminum mirror is from [John Salibello Antiques](#).
